

The Rainbow School at Escondido Village

Program and Philosophy

The Rainbow School is a parent participation preschool in a unique multicultural setting. Children from many countries meet together in a hands-on preschool designed to promote individual growth and group cooperation. Developmentally appropriate activities are designed to focus on the whole child: their social, emotional, cognitive, physical and language development. Children learn through play and exploration of their surroundings. Teachers and parents help facilitate learning by allowing curriculum to emerge based on the children's ideas and interests.

Serving the Stanford Community

Our preschool provides quality care for the children of families living in Escondido Village, families affiliated with Stanford University, and families of the surrounding community. The Rainbow School gives wait list priority to families living in Escondido Village.

Enrollment Criteria

All children ages 2 years 9 months to 5 years of age are eligible to attend the Rainbow School provided that they are out of diapers, and that their immunization records are up to date and on file with the school.

Academic Year Program for 2009-10

Classes

Classes are held in the Escondido Village Center preschool classroom from 9:00 am– 3:00pm. The Rainbow School program follows the Stanford University academic calendar, and observes a similar holiday schedule.
